Divine Decree

ACCORDING to the Preordained Plan of the Eternal Creative Play, Divine Father PRAJAPATI BRAHMA, GITA GYAN INVENTOR, incarnates Kalpa after Kalpa in the country of Bharat at the time of the CONFLUENCE of the end of Kali-Yuga and the beginning of Sat-Yuga or at the conjunction of the cessation and the progression of the Kalpa, organises the Divine Yagya of Imperishable Wisdom and creates BRAHMANS and KSHETRIYAS through His Oral Orifice, unto whom He ordains thus :

“Dear Divine Ones, if you strive to acquire undaunted faith in the Divine Doctrine of ‘MAN MANA BHAVA, MADHYAJI BHAVA’ i. e. ‘AHAM BRAHM ASMI’ or ‘AHAM CHATUR-BHUJ’ (I am the Creator of Creation) through this GRAND DIVINE YAGYA and ultimately attain the ideal of *Karmateet* (Immunity from Action), each one of you shall obtain the highest status of **JIWAN MUKT’ CHHATRAPATI DEITIES** for numerous generations or in other words, shall win

Self-Realisation, instrumental for organising the
GRAND YAGYA of 'Aham Brahm Asmi'.

Emanating from this Divine Yagya is the huge conflagration in the form of this world war, hereinafter called the War of Mahabharat, as a result whereof and as corroborated by most Supreme Gita and Bhagwat, fiftysix crores of Science-Proud European Yadvas of the West and eighteen Akshyunis (several crores) of Self-unrealised Kaurvas (Congress), Kansas, Jarasandhis and various other devilish organisations of the East, together with their equally unscrupulous comrades, the Veda-Vadi Vidvans, Acharyas, Pandits, Sanyasis and Priests, Preceptors, Mulas, Kazis, Sanghas, Phongees, Pope, Archbishops, etc., shall meet their doom along with their much coveted Vedas, Puranas, Shastras, Quran, Bible, Granth, etc., and their so-called religious haunts like Temples, Mosques, Pagodas, Churches, etc., under the stress of 'Scorch Earth' Policy, Civil Wars and various Natural Calamities that are soon to befall this Karma-Kshetra.

Beware! All these incidents appertain to the performance of the last rites of Shudra-Puri at this end of the Iron Age and of the first rites of Brahm-Puri at this DAWN OF THE GOLDEN AGE.

An Oracle

by

PRAJAPATI BRAHMA-KUMARIS.

It is revealed from experience acquired through Divine Insight, corroborated by the All-Supreme Gita Scripture, that although through excessive, penanceful prayers and austere idol-worship, many a Devotee have gained साक्षात्कार (Visualisation) of the Deities in the mirror of their hearts, but the acquirement of the highest status of a Deity in practical life has remained an impossibility for them.

It is only by maintaining unmitigating faith in "Aham Atma So Parmatma, Mama Maya", i. e. "Aham Chaturbhuj" (I am the Creator of Creation), the only true significance of 'OM', through the medium of this most Supreme Yagya of the Imperishable Divine Wisdom of 'Sahaj Yog, Raj Yog' (Easiest path to Celestial Sovereignty) that a true seeker, whether male or female, not only visualises all the chief scenes and sights of वैकुण्ठ (The New World of Gods and Goddesses where alone prevails Supreme Celibacy, Peace, Law and Order) but himself or herself attains the very Supreme Status of a Viceless, Fully Accomplished, Double-Crowned, Jiwan Mukta Deity (God or Goddess) with all the Sixteen Celestial Attributes for generations and generations !

BUT

Beware ! If not now, never shall ye acquire such dispensation.

(Narayanam)

What is Genuine Rejuvenation ?

The service of transforming a Self-forgotten slave of Maya (Materialism)—a Vaisha, a Shudra or even a worst sinner soul, a stone-headed 'Ahilya' or the very vice-merged, profligate 'Ganka'—into a Karmateet (Immune from the attachment of actions), perfectly Vice-Free, most exalted, **JIWAN MUKT, DOUBLE-CROWNED** Deity of Vaikunth (Celestial World) for numerous generations through firm faith in the Divine Doctrine of 'Aham Chaturbhuja', i. e. 'Aham Brahm Asmi' (I am the Creator of Creation), by renunciation of all the vicious worldly connections, is the only highest, selfless, Imperishable, Divine Service in the truest sense of the term. In fact, that is real 'Rejuvenation' (काया कल्पतरु). All else is nothing but material, selfish, perishable, undivine service, causing one's own self along with others to be entangled in the huge Whirlpool of Actions and thus lead miserable life for generations.

In Divine Service,
Prajapati Brahma Kumari
OM RADHE,
Divine Daughter of
DIVINE FATHER PRAJAPATI BRAHMA,
The Gita Gyan Inventor,
The Imparter of Imperishable Wisdom and
The Bestower of Divine Insight.

Why is the Present War Called The War of Mahabharata?

Reviewing multifarious wars that have been fought on the arena of this Karma-Kshetra (World) ever since the Epoch of Dwapur (Copper Age) till the end of Kali-Yuga (Iron Age), the present world-wide war is the last and the greatest of them all.

Although to all appearances, this most devastating exigency has sprung up among the Science-Proud European Yadvas with the help of their own invented violent weapons (मूसल), nevertheless, the real BACKBONE behind the scenes of this all-engrossing struggle for world power is none else than the most celebrated Divine Father PRAJAPATI BRAHMA Himself, the Supreme Inventor of Gita's Divine Wisdom, the Unfathomable Ocean of Imperishable Knowledge, the Bestower of Divine Insight, along with His Divine Ones.

According to the Preordained Plan of the Eternal, Ever-Revolving Creative Play, at this juncture of the end of Kali-Yuga (Iron Age) and the beginning of Sat-Yuga (Golden Age), this highest Divine Father and his Divine Ones, incarnating in the country of Bharat among the Kaurva (Congress), Kansa, Jarasandhi and various other Self-unrealised organisations, have become, after

unhindered COMPLETE SELF-RULE of the Infinite Realms of Peaceful and Blissful BRAHMPURI (Celestial World) which is now in the course of being established."

"In the beginning of the Kalpa," declares Divine Father PRAJAPATI BRAHMA, "the SURYAVANSHI Sovereigns of Sat-Yuga inherited this Imperishable YOGA (Divine Knowledge) through ME, and from them again, the CHANDRAVANSHI Monarchs of Treta inherited the same. Thus, this highest Imperishable Knowledge prevailed among the *Rajya Rishis* (The Chhatrapati Deities or Sovereigns of Sat-Yuga and Treta) in uninterrupted succession; but it has decayed by great efflux of time from the beginning of Dwapur till this very end of Kali-Yuga and has now entirely vanished. And again it being the time of the confluence of the end of Kali-Yuga and the beginning of Sat-Yuga, I am repeating that self-same ancient, original (*Adi Sanatan*) Divine Wisdom of 'Aham Brahm Asmi'."

"But dear Divine Father," inquire the Divine Ones, "You have incarnated only now; how, then, is it that this Divine Knowledge spread through YOU in the beginning of the Kalpa among the Suryavanshi Sovereigns?"

"This is a most esoteric fact," responds the Divine Father, "which I know but you know not; and therefore I explain the same to you."

"Yada Yada, that is to say after every Kalpa at such a time of the end of Kali-Yuga, when the Divine Knowledge of 'Aham Brahm Asmi' or 'Aham Chaturbhuj' vanishes from the entire World and when numerous irreligions prevail everywhere causing extreme Decay of Righteousness, then I, that Viceless, Fully Accomplished Abider of BRAHM-PURI or VAIKUNTH, Dwarkanath Kalgidhar SREE KRISHNA of Sat-Yuga, complete with Sixteen Divine Attributes (through whom this Divine Knowledge actually circulates among the Suryavanshi Sovereigns in the beginning of the Kalpa), having taken birth in Bharat with a different name in a human form, spontaneously regain faith in 'Aham Brahm Asmi', organise the most Supreme Yagya of Imperishable Divine Wisdom and create Divine Ones (Brahmans and Kshetriyas) through My Oral Orifice. From this Divine Yagya emanates the fiercest fire of the last and the greatest war on the Karma-Kshetra (World) — the WAR OF MAHABHARAT—, bringing about annihilation of 56 Crores of Science-Proud European Yadvas through International Armaments War and of 18 *Akshyunis* (Several Crores) of atheistic, Self-unrealised Bharatvasi Vaishas and Shudras, Kaurvas (Congress), Kansas, Jarasandhis and numerous other devilish organisations along with their Guides and Preceptors, Vidvans, Acharyas, Pandits, etc., through Civil War in Bharat resulting from religious frenzy and also through various natural

calamities. And on the other hand, I become instrumental for laying the foundation of the one original, Universal Religion of 'Aham Brahm Asmi'. That very scene is repeating itself at present in practical. As a matter of fact, dear Divine Ones, according to the Preordained Plan of the Eternal Creative Play, such births of Mine and Thine at such a time of the Confluence have repeated times out of number."

The Divine Versions of the Divine Father are, "Such MARJIVA (dying alive, i. e., severing all vicious connections) births of Mine and Thine, which we take at the end of this last of our numerous births, are not like those of ordinary (*Prakrit*) human beings, since they are not the result of the sensual act. Such births of Mine and Thine and the Deeds I and You then perform are both EXTRAORDINARY and DIVINE. For example, when a seeker of Sanyas renounces his vicious worldly attachments after gaining faith in 'Aham Brahm' and thus becomes MARJIVA, that new Life of his and the Deeds he then performs are both EXTRAORDINARY and DIVINE. He is held as a 'Mahatma' or a 'Parmahansa Sanyasi'. Even 2000 years ago when Divine Father CHRIST and his Divine Ones severed all their connections with the vicious world after gaining faith in 'Aham Brahm' and became Viceless Gods-Incarnate, their new MARJIVA Life and the Deeds they then performed were EXTRAORDINARY and DIVINE. But such

Every Dynasty has to experience and pass through four stages: viz. *Golden* (Sat), *Silver* (Treta), *Copper* (Dwapur) and *Iron* (Kalah). The first half of the total period of its existence is HEAVEN for the Dynasty when its Sovereigns and subjects are Theistic, Viceless Believers in Self as GOD, i.e. Brahmins and Kshetriyas, whereas the other half, during which it passes through the latter two stages, is a veritable HELL for them since they turn atheistic, vicious non-believers in Self as God, i.e. Vaishas & Shudras.

Kalpa (5000 Years) according to the Preordained

Upon Their External, Violent War Plans.

Rule through the Present War of Plan of Creative Play.

All the Divine Fathers who, along with their respective Divine Ones, become instrumental at their own time according to the Preordained Plan of the Eternal Creative Play, for the establishment of their own Dynasties, also take numerous births with different names and forms for the propagation of their respective Dynasties and at last, they also become conducive for the total annihilation of their own Dynasties when sectarianism and friction become the cause of their down-fall and ultimate doom.

Divine Births and Deeds of the Divine Fathers and their respective Divine Ones are only mutually recognised and comprehended. Their own kinsmen and friends and the very ruler and the subjects of the land of their nativity fail to recognise them and their Divine Deeds; they take them at a discount and maltreat and torture them for the very Deeds they perform." (If they were to incarnate during the periods of such crises in their WORSHIPPED name and form, how could have such tortures been meted out to them!)

"In such a manner," explains Divine Father PRAJAPATI BRAHMA to His Divine Ones, "I, that selfsame Viceless Deity Kalgidhar SREE KRISHNA of VAIKUNTH or BRAHM-PURI, have now incarnated with a different name in the form of an ordinary human being performing various Divine Deeds such as manifesting *Jyoti Tattwa* (Infinite Divine Light), Adi Sanatan Divine Chaturbhuj Form, BRAHM-PURI or VAIKUNTH, Kalgidhar Krishna *Bal-Lila* (Divine Child-Play), *Ras-Lila* (Divine Dance) and the scenes of ensuing annihilation through Divine Insight and also revealing all the deep secrets of all the Shastras to you. But the Science-Proud European Yadvas, the present rulers of Bharat, and even the Bharatvasi Kaurvas (Congress), Kansas, Jarasandhis, etc., amongst whom I have been born, fail to recognise ME. They consider ME as a person of no consequence and adore ME as the abductor of Virgins

and Mothers, thief of ornaments, sorcerer etc., etc. The fault, you and I know, does not lie at anyone's door, since it is nothing new. I and You and these Science-Proud European Yadvas and Bharatvasi Kauravas (Congress), Kansas, Jarasandhis, etc., who exist now, did exist a Kalpa ago and are due to repeat and re-exist a Kalpa hence." (This and other most esoteric Divine Facts are revealed in full detail in Divine Decrees volume 18, dated 3-9-1942.)

According to the Preordained Plan of the Eternal Creative Play, it is only at the Confluence of every Kalpa, when Bharat's VIRGINS and MOTHERS, who acquire the *Kalash* of Divine Wisdom at that time at the hands of their Divine Father PRAJAPATI BRAHMA, the very Ocean of Unfathomable Supreme Wisdom, become GYAN GANGAS and start diffusing that Nectar of the Imperishable Knowledge of 'Aham Brahm Asmi' among male as well as female human beings that the entire Karma-Kshetra (World) gets transformed from *Vaishalya* into *Shivalya* (Absolute Celibate World), from *Napak-Sthan* into *Pak-Sthan* (Perfectly Viceless World) or *Sach-Khand* (Complete Self-Realised World) or the very abode of Brahman Deities.

It can be said from due experience after acquiring Divine Insight corroborated by the Shastras themselves that as evidenced from the above illustrated Preordained Plan, when the

SUPREME, EASTERN, INTERNAL, POSITIVE, IMPERISHABLE, INSTANTANEOUSLY ACQUIRABLE Education of 'Aham Brahm Asmi' prevailed among the Ranis and Rajas of Suryavanshi and Chandravanshi Dynasties of Sat-Yuga and Treta and their subjects, Bharatvasis were Theistic, Viceless, Jiwan Mukta, WORTHY Deities and the entire Karma-Kshetra (World) was BRAHM-PURI (Celestial World) or VAIKUNTH (the World of Supreme Celibacy, Peace, Law and Order). There was no other religion then existing.

Ever since the Epoch of Dwapur upto this very end of Kali-Yuga when WESTERN, EXTERNAL, NEGATIVE, PERISHABLE education has gradually prevailed among the Rajas, Ranis and the public, and the former Supreme Education has deteriorated and has now entirely vanished, Bharat has lost all Sovereign-Rights and Bharatvasis have turned atheistic, vicious, degraded, downtrodden, destitute Devotees practising penances and austerities, performing pompous rites and ceremonies, offering Civil Disobedience, Hunger-Strike, Picketing and the like, studying Vedas, Puranas, Shastras, Quran, Bible, Granth, etc., under the baneful influence of their atheistic Guides and Preceptors such as Veda-Vadi Vidvans, Acharyas, Pandits, Mulas and Kazis, Popes and Priests, etc., etc., so much so that they have even forgotten the very name and

identity of their highest Divine Father PRAJAPATI BRAHMA, the GITA GYAN INVENTOR, the Imparter of Imperishable Wisdom and the Bestower of Divine Insight.

The Divine Father ordains, "Even such degraded and destitute worshippers and devotees and even the worst sinner souls—Vaishas and Shudras—, not even excluding the FEMALE SEX (since the Sanyasis, considering MAYA as a mere illusion, cannot impart Divine Wisdom to the female sex), can doubtlessly attain the ideal of *Karmateet* and obtain the highest status of *Jiwan Mukh Chhatrapati* DEITIES only through this Supreme Yagya of Imperishable Divine Wisdom."

In Divine Service
Prajapati Brahma-Kumaris.

Note:—A Brahman is one who maintains firm faith in 'Aham Brahm Asmi' or 'Aham Brahm' and is absolutely *Celibate* and *Viceless*. A *Kshetriya* is one who wages Internal War to maintain such highest faith. A *Vaisha* or a *Shudra* is a devilish human being who has no faith whatsoever in 'Aham Brahm Asmi' or 'Aham Brahm'.

and the Bestower of Divine Insight, supported by
the true tenets of all the world scriptures, light is
being thrown upon the subject of the status which
male as well as female human beings of the world,
past and present [from the beginning of Kalpa
(Sat-Yuga) right upto the present time of the end
of Kalpa (Kali-Yuga)], acquire according to the
Preordained Plan of the Ever-Revolving, Eternal
World Wheel. It has been analysed hereby as to
through what tests and trials, human beings have
attained and enjoyed various standards of dignity
and exaltation during one life alone, who has held
the highest honour and position among them, and
through what examination and how, according to
the above-mentioned Preordained Plan, the same
personalities re-incarnate automatically Kalpa after
Kalpa (5000 Years) attaining the identical standards
of life.

On reviewing the Preordained Plan of 'Mama Maya' (Garden of Self), the creation of 'AHAM ATMA SO PARMATMA' (हम सो,

FOUR OUTSTANDING DIVINE FATHERS.

सो हम), scrutinising the pictures and idols of all the past and the present day human beings and also taking into account the great versions of all the great world scriptures, it is revealed that Divine Fathers Prajapati Brahma, Abraham, Buddha and Christ who, along with their Divine Ones, became instrumental for founding the four most outstanding Divine Dynasties, viz. Brahmanic, Islamic, Buddhistic and Christian respectively, have attained and enjoyed the most exalted status on this Karma-Kshetra (World). Amongst them again, Divine Father PRAJAPATI BRAHMA ranks the highest as it is through His instrumentality that a Kalpa ago, foundation

THE HIGHEST DIVINE FATHER IN THE WORLD.

was laid down of the most venerated and worshipped Dynasty of Suryavanshi and Chandravanshi, i. e., Brahman and Kshetriya Deities after their passing the highest test in the world—the test of 'MAN MANA BHAVA, MADHYAJI BHAVA', i.e., 'Aham Brahmi Asmi' or 'Aham Chaturbhuja' or 'Aham Atma So Parmatma, Mama Maya' (I am the Creator of Creation)—by following the path of Sahaj Yog, Raj Yog. This Divine Father and His Divine Descendants enjoy for numerous generations continuously during the entire period of Sat-Yuga and Treta—for half the Kalpa—the Crown of

Divine Light as well as the Crown of Kingship and themselves become instrumental for the propagation of their own Dynasty.

Next in order of rank and importance come Divine Fathers Prajapati Abraham, Buddha and Christ who, in accordance with their respective Divine Power, have become instrumental for establishing Islamic, Buddhistic and Christian Dynasties about 2500, 2250 and 2000 years ago respectively through their firm faith in the Doctrine of 'Aham Brahm' (I am God). These Divine Fathers, along with their respective Divine Ones, attain amongst their own respective Dynasties the highest positions of Pirs, Murshids, Sanghas, Phongees, Popes, Archbishops, etc., during their future births, endowed only with the Crown of Divine Light. They become instrumental for the propagation of their respective Dynasties through the influence of Kings endowed simply with bejewelled crowns and enjoying some limited monarchy acquired as a result of their material beneficence during their past lives.

There are other Divine Fathers also who become instrumental for the establishment of some smaller and less important dynasties, as for example Divine Father Shankaracharya, after whose name runs the Dynasty of Brahm-Anandi (enjoying Divine Bliss) Parmahansa Sanyasis established

HATH YOG KAR-
MA SANYAS.

about 1250 years ago. This dynasty too enjoys the single Crown of Divine Light in consequence of their firm faith in the ideal of 'Aham Brahm' (I am God) maintained through the practice of Hath Yog Karma Sanyas (Renunciation through restraint). Maya (Creation) to them is a mere hallucination of the brain. They are themselves the propagators of their own dynasty from generation to generation. When these Viceless, Brahm-Anandi Hath Yog Karma Sanyasis impart this Divine Knowledge of 'Aham Brahm' to a seeker and transform him to their own creed after making him Marjiva (i.e., die alive from the vicious world), that Sanyasi, after relinquishing that body, is reborn in some vicious household but sooner or later, according to the power of his faith in 'Aham Brahm' maintained in his previous birth, he severs connections with the entire vicious world and once again joins the creed of Viceless Parmahansa Sanyasis. These Parmahansa Sanyasis merit unsolicited and irrevocable adoration and obtain support and sustenance quite unwarily at the hands of sceptical, vicious, Self-unrealised householders and laymen, sporting in the ocean of sensual poison.

Experience gained through Divine Insight reveals and the Preordained Plan of the Eternal Creative Play also clearly depicts

**THE LAW OF THE
EMERGENCE OF
DYNASTIES.**

the fact that while the Most Supreme Brahman Deity Dynasty rules the entire Karma-Kshetra

(World). all the other dynasties remain merged in the Infinite Divine Light. During their sovereignty, not a single temple or shrine, mosque or monastery, pagoda or church exists in the entire world, and scriptures like Vedas and Puranas, Shastras and Quran, Bible and Granth, etc., are conspicuous by their total absence. When the Islamic Dynasty next emerges into existence at its due time, the Buddhistic Dynasty is yet in the womb of creation. And when this dynasty gains a foothold, Christian Dynasty is yet to follow. Thus, one after the other according to the Preordained World Plan, these Divine Dynasties spring into existence automatically in regular consecutive order.

Divine Fathers are not Self-Realised from their very birth. They are born, each in His own turn, like other most ordinary worldly human beings. But according to the Preordained Plan of the World Bioscope, they spontaneously gain Self-Realisation just at the sag end of that last of their numerous births, organise their own Yagya of Divine Wisdom, create their own Divine Ones through their Oral Orifice and thus become instrumental for establishing their own respective dynasties. They incarnate only when their dynasty is non-existent. For example, so long as aeroplane exists, it is preposterous to expect back its inventor to re-invent aeroplane. In like manner, during the life-time of a particular dynasty

DIVINE FATHERS
DO NOT RE-IN-
CARNATE OUT
OF TIME.

to expect the re-incarnation of its inventing Divine Father for re-establishing the dynasty is an impossibility. No Divine Father responds to untimely prayers or solicitations; nay, as a matter of fact, they respond to none. If they ever did, for what reason would they have undergone tortures and tribulations at the time of their incarnation? Ever since the Divine Dynasty of Brahman Deities lost their faith in the Divine Doctrine of 'Aham Brahm Asmi' from the dawn of Dwapur Age, forfeited their entire Sovereignty due to sectarianism and disunity among themselves and started invoking the assistance of their Divine Father PRAJAPATI BRAHMA, it is not a fact that He re-incarnated in response even to their most sincere solicitations. No, that was impossible, since He cannot incarnate out of time. According to the canons of the Eternal Creative Play, every Divine Father must and shall re-incarnate Kalpa after Kalpa in the identical country, bearing the identical name and form, possessing the identical Divine Power and repeating the identical Divine Deeds at the identical time as that of a Kalpa ago and become instrumental for laying the foundation of the identical Divine Dynasty. Such Divine Deeds of the Divine Fathers can only be recognised by their respective Divine Ones (Heirs).

Divine Fathers who maintain faith only in the Doctrine of 'Aham Brahm' do not possess any

foreknowledge as to the fact that their own Divine Dynasty would come into existence on this very Karma-Kshetra (World). If they ever did, they would themselves have certainly foreseen as well as revealed to their Divine Ones through Divine Insight all the details of their would-be dynasty and the high status obtainable therein; and such important events and circumstances should certainly have been prominently mentioned in their respective scriptures such as Quran, Bible, etc., or in their biographies. But the fact is that they do not believe in the very basic principle of REBIRTH. These Divine Fathers, when they incarnate, maintain implicit faith in their attaining 'Salvation' (Mukti) after death which they believe to lie in their merging in the Infinite Divine Light. With such faith, therefore, they themselves visualise and reveal to their Divine Ones nothing but Infinite Divine Light. There is no evidence anywhere as to their possessing any knowledge about the repetition of this most Wonderful Wheel of the Eternal, Ever-Revolving Creative Play. There is only one Divine Father in the annals of the entire World Wheel and that is the most exalted Divine Father PRAJAPATI BRAHMA who possesses foreknowledge of the entire Plan of Creation from end to end due to His Supreme Faith in the principle of 'Ahm Brahm Asmi'. Here are His very utteran-

ces at the time of His incarnation: "I incarnate Kalpa after Kalpa to become instrumental for the establishment of the Brahman and Kshetriya Deity Dynasty and simultaneously for the obliteration and complete erasement of the various Vaisha and Shudra dynasties from the entire surface of the earth." With this foreknowledge, Divine Father PRAJAPATI BRAHMA visualises well in advance through the THIRD EYE OF DIVINE WISDOM, all the most valuable secrets of His Worship-Worthy Dynasty as well as the most exalted status of Jiwan Mukta Chhatrapati Deities obtainable therein and in turn, reveals to His male as well as female Divine Ones the Infinite Divine Light, the Adi Sanatan (Eternal) Divine Chaturbhuja Form, the scene of the establishment of the Brahman and Kshetriya Deity Dynasty and of the annihilation of the various Vaisha and Shudra dynasties, the most heart-pleasing scenes of Bal-Lila (Divine Child-Play) with the would-be Double-Crowned Prince Sree Krishna of Vaikunth, the most lovely and delightful panorama of Ras-Lila (Divine Dance) of the would-be Crown-Princes and Crown-Princesses and above all the most magnificent and dignifying scenes of the Infinite Realms of Peaceful and Blissful BRAHM-PURI (वैकुण्ठ-Celestial World). He also reveals to His Divine Ones the true significance of the esoteric facts of all the world scriptures. The Divine Father ordains: I am the ORIGINAL CAUSE, i.e., the Originator and Progenitor of the Vaikunth-Anandi, Jiwan Mukta Brahman and

Experience gained through the Third Eye of Divine Wisdom duly corroborated by the real facts of the Shastras and by the Preordained Plan of the World Creation, reveals the fact that it is only the most Supreme Divine Father **PRAJAPATI BRAHMA** who becomes instrumental at the time of the confluence of the cessation and the progression of Kalpa for bestowing the most Supreme Status of Double-Crowned, Jiwan Mukti Deities through the test of 'Aham Brahm Aami' or 'Sahaj Yog Raj Yog' upon the Female Sex, the Virgins and Mothers of Bharat, degraded and downtrodden under the malafide influence of 'Neem Tabih Khattray Jan' Veda-Vadi Vidvans, Acharyas, Pandits, etc., who have simply burdened their brains with carefully cooked anecdotes and attractive stories from many an imaginary scripture, nailing them hard in the jeopardous practice of servile devotion and complete surrender at the feet of their worthless, vicious husbands as their very Life-Sustainers, Over-Lords, Gods, Salvation-Bestowers and what not. No other Divine Father in the history of the entire World Creative Play has rendered such Supreme Divine Service and no such credit is given to them in their own biographical sketches.

Insight quite well in advance just as it was done a Kalpa ago. It is also explained to them that they are sure to acquire that status only through this Imperishable Divine Wisdom. Despite the revelation of this practical result, unfortunate as several of them happen to be, they get enchanted by the vagaries of Maya, whirl in the pool of scepticism and quit this Divine Yagya of Imperishable Wisdom (आश्चर्यवत् पश्यन्ति, सुमन्ति, कथन्ति, किं भी भागन्ति). Very few, indeed, only the most fortunate ones, are successful in this Supreme Test. Although people, for example, find that if even a most ordinary, wicked, atheistic, Self-unrealised person renounces his connections with the entire vicious world and passes the test of 'Hath Yog Karma Sanyas' through faith in 'Aham Brahm', he attains the status of a Brahm-Anandi Parmahansa Sanyasi or a Mahatma, even then, hardly one in a million would offer himself as a candidate for learning to wield this Sabre of Divine Wisdom and to relinquish the sword of sensual poison. Again, it is a well-known fact that by passing the examination of I. C. S., one is assured of a high worldly position, yet there is hardly one in a million audacious enough to take up the cudgels. In like manner, two thousand years ago when Divine Father Christ manifested His Divine Identity to the world, there

were very few who had the courage to offer themselves to be His Divine Ones, to pass the test of 'Aham Brahm' and to attain and enjoy the highest position in their would-be dynasty for numerous generations. As a rule, very few most fortunate beings turn to be the Divine Ones of Divine Fathers.

Just one span of life is enough to achieve any exalted rank or position either through external, perishable knowledge or Internal, Imperishable Divine Wisdom. A cobbler could be a minister, a soldier could be a dictator, a menial could be a monarch, a Vicious Shudra could be a Viceless Brahman or even the most degraded devil could be a Deity, all during one life-time. And that is the one life that is recorded in history or scripture In Golden Words.

Every human being, as a rule, is a seeker of perpetual happiness. But such happiness can result only from SANYAS, i. e., banishment of all vices and renunciation of all vicious worldly connections. Sanyas is of two kinds: one is 'Hath Yog Karma Sanyas' realised by faith in 'Aham Brahm' through which Self-unrealised, unhappy, discontented, mother-hating persons—males only—infected with all the five vices, can attain the status of Brahm-Anandi Mahatmas for several generations, and the other is 'Sahaj Yog, Raj Yog, Nishkam Karma Yog Sanyas' realised by

SANYAS, THE

HAPPINESS.

faith in 'Aham Brahm Asmi' through which any Vaisha, Shudra or the worst sinner soul—male as well as female—can attain the most Supreme Status of Vaikunth-Anandi, Jiwan Mukh, Double-Crowned Deity for numerous generations. As a consequence of one's adopting the latter Sanyas, all the devilish propensities in one get vanished and Divine Attributes start pouring in, and the entire Prikriti (Maya or Creation) being at one's command, one attains and enjoys uninterrupted happiness and contentment life after life.

Men with worldly wisdom believe that Eternal Happiness is the exclusive privilege only of Incorporeal God, but intuition says that

**A HUMAN BEING
WITH DIVINE
WISDOM AND
INSIGHT IS
SUPERIOR TO
INCORPOREAL
GOD.**

Incorporeal God is immune from happiness or sorrow; that is the Power behind the working of the World Creative Play, just as light is behind the working of an ordinary bioscope. Experience gained through Divine Insight supported by the true facts of the Shastras shows that a human being believing himself as God due to faith in 'Aham Brahm Asmi' can alone enjoy everlasting happiness. The status of such a human being possessing this Imperishable Divine Wisdom is infinitely superior to Incorporeal God, since He alone can reveal and impart the knowledge of तत्त्व (Infinite Divine Light) and can also become instrumental for establishing BRAHM-PURI (वैकुण्ठ), the World of Gods and Goddesses on this very Karma-Kshetra.

“As a matter of fact, therefore, a human being whose life is indeed a veritable Gem of immense value, can claim to possess the

YOG.

Most Supreme Divine Wisdom only when he passes the highest test of ‘Sahaj Yog, Raj Yog’ with faith in ‘Aham Brahm Asmi’ through which the greatest Wonder (विष्णु-Celestial World) can be visualised and the most noble and dignified status of Worship-Worthy, Ever-Happy, Jiwan Mukti, Double-Crowned Deity for numerous generations could be realised. Anything besides this is inaccurate and ungenuine wisdom leading to the obtainment of medium (मध्य) and low (कनिष्ठ) status.” Such are the versions of Divine Father PRAJAPATI BRAHMA, the Inventor of Imperishable Gita Wisdom, and these versions are duly corroborated by the Preordained Plan of the Eternal Creative Play.

It is only when a human being maintains full faith in the Divine Doctrine of ‘Aham Brahm Asmi’ that he remains immune from

vice and gains redemption from all vicious worldly connections. Such a state of life is called Jiwan Mukti.

BRAHMA the Creator, VISHNU the Sustainer and SHANKAR the Destroyer—these are really the titles applicable to every human being, male as well as female. At dawn, as soon as a

human being opens his eyes, he brings into existence his own creation, sustains it during the day and merges it again in Self at night during sleep. While fast asleep, one is immune from action, perception and conception; one is the Holiest of Holies—Godly. This state is called Videh Mukti (Redemption from the bondages of the body). This state repeats itself every time one is fast asleep. A sceptical, Self-unrealised human being, however, not possessing this Supreme Knowledge of 'Aham Brahm Asmi' comes in contact with his Self-unrealised, vicious mother and father, friends and relatives and becomes blind like an owl and vicious like a devil immediately he opens his eyes. This state of life is called Jiwan Bandh (Life of entanglement).

Mukti (generally identified with 'Salvation') has no meaning whatsoever in terms of life. A

MUKTI. human being or a dynasty, of which the allotted part in the Preordained Plan of the Creative Play automatically and effortlessly comes to a close, merges in the Infinite Divine Light till its part restarts. (This happens even in the case of birds and beasts). That period of non-existence of a human being or a dynasty is called Mukti.

Divine Fathers, as a rule, do not get Self-Realised through Gita, Quran, Bible, etc., but

**DIVINE FATHERS
REALISE SELF
SPONTANEOUSLY** according to the Preordained Plan of the Eternal Creative Play, every one of them gains the Knowledge

of SELF spontaneously at His own allotted time; and that invention of Divine Wisdom is portrayed in their respective scriptures, viz. Gita, Quran, Bible, etc., etc.

The blind (Self-unrealised) dictator of the Kaurva (Congress) organisation, lacking faith in the Divine Doctrine of 'Aham Brahm Asmi', claims that he gets inspirational light from Shreemad Bhagwat Gita scripture which, he proudly proclaims, urges him to adopt various self-slaying contrivances such as treason against the King, Civil Disobedience, Picketing, Hunger-Strike, etc., for the attainment of Complete Self-Rule of Bharat. This idea appears most preposterous on the very face of it, and our own experience gained after acquiring Divine Insight duly supported by that very scripture, namely Gita, stands witness to the fact that Self-Realisation through the study or worship of any Shastra is an utter impossibility; nay, on the contrary, one turns completely atheistic and Self-unrealised through such malpractices. It is from that point of view that in Gita, the Song Celestial, and in Bhagwat, the biography of Divine Father PRAJAPATI BRAHMA, various devilish and beastly designations have been dubbed upon Bharatvasis. They have been called 'THE BLIND' because of being Self-unrealised. They have deserved the title of 'KAURVAS' since they have neither acknowledged

the right of half-partnership of the female sex in their material wealth, nor allowed them the privilege to enjoy Brahm-Anand through Hath Yog Karma Sanyas like the males. They have, on the contrary, committed Breach of Trust with them by treating them as half-partners merely for transacting sensual poison. The title of 'KANSAS' has also been merited by them on account of contracting their innocent virgins' lives like butchers, for transacting sensual poison with vice-merged, monkey-like 'JARASANDHIS'. On the other hand, the Divine Ones of Divine Father PRAJAPATI BRAHMA have earned the Divine title of Maharathi PANDVA Warriors due to their waging Internal, Non-violent war of 'Man Mana Bhava, Madhyaji Bhava' (I am the Creator of Creation).

The present day unscrupulous, selfish, 'Neem Tabib Khatray Jan' (Half a physician is a danger to the patient's life) Bharatvasi Priests

NO SELF REALISATION THROUGH SHASTRAS.

and Preceptors such as Veda-Vadi Vidvans, Acharyas, Pandits, Sanyasis, etc., vainglorious as they are of their pseudo-Divine Wisdom, have simply mugged up Gita, Vedas, Puranas, Shastras, Quran, Bible, Granth, etc., etc., exactly like parrots, preaching the most degrading principle of 'First Karma (Action), then Gyan (Self-Realisation)' instead of the आदि सनातन् (Original, Eternal) Law of 'First Gyan (Self-Realisation), then Karma (Action)' and turning practically every human being sceptical

and Self-unrealised through and through by impressing upon them wrong interpretations of these scriptures and with uncountable imaginary tales like those of Ramayana, Satyanarayana, etc., or with preposterous anecdotes like those of the violent battle of Pandvas and Kaurvas at Hastnapur. They serve them thus with the 'Kerosene' of un wisdom in place of the 'Ghee' of Divine Wisdom. "Self-Realisation through the study of Vedas and Shastras or through Sandhya, Gayatri, Pilgrimages, Fasts, Penances and Prayers and Austerities, etc., or such other acts of duality is a total impossibility," says Divine Father PRAJAPATI BRAHMA. If that were possible, why at all should Bharat in particular and the entire world in general have suffered so adversely day by day in spite of the presence of so many such Brahm-Gyanis, and why should the Divine Father, the Ocean of Imperishable Wisdom, have been invoked to re-incarnate for establishing Supreme Celibacy, Peace, Law and Order in this world where nothing prevails but misery, insolvency and destitution all round?

Compare and contrast the supremacy and fortune of Bharat at the time of the beginning of Kalpa and its misfortunes and degradation at this time of the end of Kalpa; what unblemished honours did Bharat enjoy and what an abode of Solvent, Theistic, Viceless, Double-Crowned Deities it was at the time of the

beginning of Kalpa when Bharatvasi Ranis, Rajas and their subjects possessed the Divine Knowledge of 'Aham Brahm Asmi' and when Viceless Mothers of Bharat acted as the Divine Guides and Guardians of their wards and imparted to them nothing but Divine Wisdom from their very infancy! Look at the damning degradation and dishonour of Bharat at this time of the end of Kalpa! The original Divine Knowledge of 'Aham Brahm Asmi' has vanished from among the Rajas, Ranis and their subjects and every Bharatvasi is pledged to the path of Devotion. The entire Bharat has now become the very abode of vicious, sceptical, slavish, destitute, godless Devils!

The vicious Kali-Yugi Brahmans of to-day who call themselves 'Hindus', boast that they have gained their existence through the Oral Orifice of BRAHMA. These poor so-called Brahmans do not even know when their proclaimed Progenitor, PRAJAPATI BRAHMA, had incarnated in the name and form of a Divine Father on this very Karma-Kshetra (World). 'Hindu', in fact, is no religion at all; no Divine Father has laid the foundation of this so-called religion. These Kafirs (Infidels) who neither adhere to one religion nor maintain faith in one God, whether Corporeal or Incorporeal, if asked as to when and which Divine Father originated their Hindu religion or dynasty, would either remain dumb or would simply throw these words

HINDUISM IS NO
RELIGION.

in one's face: "Sree Krishna Bhagwan is our Divine Father." Gita, the universally acknowledged Crown-Jewel of all the world scriptures, on the other hand, holds forth significant evidence that it was Divine Father PRAJAPATI BRAHMA who really established the original dynasty of Brahman and Kshetriya Deities and laid the foundation of the one Original, Eternal Religion of 'Aham Brahm Asmi' by creating His Divine Ones through His Oral Orifice during the Yagya of Imperishable Divine Wisdom. It is actually this Divine Dynasty, members of which at present being absolutely oblivious of their own true religion of 'Aham Brahm Asmi' and of the very name and identity of their own Divine Father PRAJAPATI BRAHMA, have been miscalling themselves as 'Hindus'.

To be exact, even Brahmanism is no religion. It is only the true descendants of Divine Father PRAJAPATI BRAHMA who are called 'Brahmans' after His name.

WHAT IS TRUE
RELIGION?

The religion of every one of such Brahmans is 'Aham Chaturbhuḥ' or 'Aham Brahm Asmi' (I am the Creator of Creation). Obviously, therefore, from the same point of view, 'Islamism', 'Buddhism' and 'Christianism' are also no religions in the true sense of the word. These nomenclatures are simply attached to the followers of Divine Progenitors Abraham, Buddha and Christ respectively, but their true religion is 'Aham Brahm' (I am God). In like manner also, the followers of

Divine Father Shankaracharya have been entitled 'Sanyasis' but their true religion is 'Aham Brahm'.

Verily, it is these LEGS of true religion upon which depends the true happiness of every dynasty.

CONTRAST BET-
WEEN DIVINE
WISDOM AND
DEVOTION.

During the first half of the total period of existence of every dynasty while this LEG of its true religion is strong and straight, it passes through Sukla Paksha (The path of Divine Light), remains Viceless, Civil-Eyesed and united and hence enjoys Transcendental Bliss for several generations in proportion to its Divine Power. At present, however, the LEGS of true religion of all the four outstanding dynasties have been maimed and mangled and practically broken, and all the dynasties are passing through Krishna Paksha (The dark path of undivine wisdom or devotion). The entire world has become vicious, criminal-eyesed and disunited and is suffering untold misery, destitution and degradation through the path of devotion.

When different Divine Fathers incarnate at their own time, they terminate their own contracts

as well as those of their Divine Ones of transacting unholy sensual poison and secure contracts of imparting holy Divine Wisdom.

That is the Divine Service through which they have established HEAVEN or their Holy Dynasties.

“Sensual poison,” they ordain, “is the deadliest enemy of a human being.” But it is quite surprising to note that the present day Kali-Yugi Brahmans, Priests and Preceptors, Pirs and Murshids, Sanghas and Phongees, Pope and Archbishops, etc., the so-called custodians of temples, mosques, pagodas, churches, etc., erected as sacred souvenirs in sweet memory of those very Divine Fathers, are carrying on within the precincts of those very holy places, the unholy, Hellish service of registering the contracts of sensual poison, —nay, the Devilish Service of transforming human beings into Devils—due to the predominance of the Quality of Inertia (तमो गुणम्) and unrighteousness at this time of the end of Iron Age. This disgraceful, damnable service is being proudly praised by the depraved world as ‘Divine Service’. Aha, how much has irreligiousness, unrighteousness and lawlessness increased in Bharat in particular and on the Karma-Kshetra (World) in general! Such Godless World as it has happened to be, is now being transformed into the World of Gods and Goddesses only by the world’s most beloved Divine Personality (who has since incarnated)—the Highest Divine Father PRAJAPATI BRAHMA, the Unbounded Ocean of Gyan (Divine Knowledge), the Overlord of Bhakti (Devotion), the Inventor of Gita Wisdom and the Bestower of Divine Insight.

 when, as a consequence thereof, transaction of
 sensual poison is conspicuous by its total absence
 throughout the world, the inevitable result is that
 Supreme Celibacy, Peace, Law and Order prevails
 everywhere. This fact is clearly indicated in the
 Preordained Plan of the World Wheel and Gita,
 the Supreme Scripture, corroborates the same.
 During the next two epochs of Dwapur and Kali-

 knowledge of 'अहम् ब्रह्म, माया मिथ्यम्' (I am God but
 the Creation is a mere illusion), Supreme Celibacy,

 Karma-Kshetra (World), becomes an impossibility.

 each other from the surface of the earth; but they

boast that they are thus going to lay down the foundation of Sach-Khand, Pak-Sthan or a New World of Supreme Celibacy, Peace, Law and Order. It has, however, been revealed through Divine Insight, duly corroborated by Gita Scripture, that in accordance with the law of the Preordained Plan of the Ever-Revolving World Wheel, the entire Godless World is now being transformed into Celestial World by Divine Father PRAJAPATI BRAHMA and His Divine Ones who have since incarnated, through the Non-violent, Imperishable Sabre of 'Aham Brahm Asmi'.

It is a well-known historical as well as scriptural fact that whenever there have occurred dissensions among the members of any one dynasty, it has inevitably resulted in their downfall, and the bread is buttered away by some third party. Now that according to the Preordained Plan of the World Bioscope, all the atheistic, violent, criminal-eyed, inertia-quality dynasties have sprung up against each other in a life-and-death struggle, it is but certain that some third party with the highest Divine Power can take away their booty. That Supreme Power, be you pre-informed, lies at present in the hands of the only highest Divine Father PRAJAPATI BRAHMA and His Divine Ones. Now is the time for the Victory of the Self-Realised, Viceless, Non-Violent, Unknown Maharathi Divine Warriors through

whose Unknown Divine Power, the violent Kshetriyas (warriors) are removing all the sceptical, vicious, debased elements from this Karma-Kshetra (World) through Scorch the Earth Policy, since it is now the DAWN OF THE GOLDEN AGE (SAT-YUGA), and very soon the dynasty of Gods and Goddesses is due to govern this very Karma-Kshetra (World). "Whereever there is VICTORY, I and My Divine Ones shall take our future births," are the most significant but esoteric versions of Divine Father PRAJAPATI BRAHMA. This extremely unfathomable enigma can only be realised and solved through the Third Eye of Divine Wisdom.

The identical juncture of the confluence of the cessation and the progression of Kalpa is repeating

itself now in practical. The holiest Yagya of Imperishable Divine Wisdom for 'V' has already been organised since August, 1988 A. D., i.e., 1995 Vikrama era. The Divine Ones of Divine Father PRAJAPATI BRAHMA, inheriting the vast, unlimited Treasure of his Divine Knowledge, are striving to pass the highest test of 'Sahaj Yog Raj Yog' through faith in 'Aham Brahm Asmi'; but the Science-Proud European Yadvas and the Bharatvasi Kaurvas (Congress), Kansas, Jarasandhis and Veda-Vadi Vidvans, Acharyas, Pandits, Sanyasis, etc., etc., whose

mentality has been completely perverted due to their fast approaching annihilation, consider them as mere unwise, innocent little turtles and therefore torture and maltreat them. (Please refer "IS THIS JUSTICE" of August 1939, by Om Radhe). They are thus knocking their own doom's door just as tyrants tortured and maltreated Divine Father Christ and His Divine Ones, thus knocking their own doom's door. Let them wait, however, till they are directly faced with the final heart-rending result of this greatest of all wars—THE WAR OF MAHABHARAT—, emanated from the Eternal Fire of this Imperishable Yagya of 'Aham Brahm Asmi' as it happened a Kalpa ago, which will remove the curtain of pseudo-Divine Wisdom immediately from their eyes. Just as a B. A. or an M. A. cannot understand or explain the secrets of the examination of I. C. S., in like manner, it is outside the scope of the power of any Kali-Yugi Veda-Vadi Vidvan, Acharya, Pandit, etc., or Hath Yog Karma Sanyasi to understand and explain the true significance of Gita, i. e., of the highest 'Sahaj Yog Raj Yog' (Easiest Path to obtain highest Sovereignty) examination.

The War of Mahabharat of a Kalpa ago is now repeating itself in practical. The perils of this final Total War and the agony resulting from the natural calamities which will soon befall this Karma-Kshetra (World) exactly as it happened a Kalpa ago, can

be borne patiently and smilingly only by those few most fortunate male as well as female human beings who come to maintain undaunted faith in the Divine Doctrine of 'Aham Brahm Asmi' through keen concentration upon the Divine Decrees sent heretofore and upon this most esoteric Divine Revelation in perfect solitude with undiverted attention. The rest, namely the Blind (Self-unrealised) Kaurvas (Congress), Kansas, Jarasandhis and various other devilish organisations, along with the 'Neem Tabib Khatray Jan' Veda-Vadi Vidvans, Acharyas, Pandits, Sanyasis, etc., whose bellies are filled to capacity with their ill-earned victuals, shall quite soon repent for their misdeeds and are sure to be taken by surprise just at the final hour of their annihilation when they will be left only crying hoarse:

हे गोप गोपी बल्लभ प्रभु, अहो तेरी लीला !

Rhymes of Divine Wisdom.

(श्लोक)

[On the springboard of this amphitheatre of action (Karma-Kshetra) are discerned, at this juncture of the confluence of Kali-Yuga and Sat-Yuga, according to the Preordained Plan of the Eternal Creative Play, two kinds of fighting forces : on the one hand are the multitudinous armies of violent, disunited, sceptical, vicious, Divine-Insightless YADVAS and KAURAVAS i. e., Vaishas and Shudras, the nether part progeny of the Iron Age, fighting among themselves like Kilkenny Cats for the purpose of annihilating each other. On the other hand are only a handful of Non-violent, United, Theistic, Viceless, Unknown but very well-known Divine PANDVA Warriors, Brahmans and Kshetriyas, the possessors of the Third Eye of Divine Wisdom, the product of the Oral Orifice of Divine Father PRAJAPATI BRAHMA, waging Internal War for 'V'.

What the ultimate result of the actions of these divergent armies on this Karma-Kshetra would be, is revealed in the following few most esoteric 'Rhymes of Divine Wisdom' composed by the Brahma-Kumaris from their own most valuable, personal experience].

“ I ”

What am ‘I’ ?

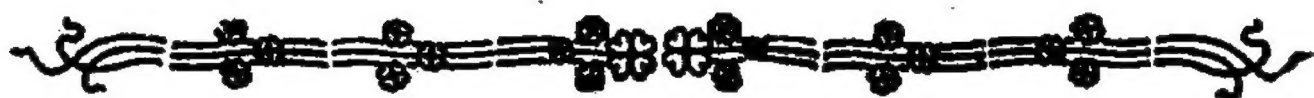

A Simple but most esoteric problem.

I say, “My wealth, My wife, My body, My intellect, My Atma,” but then, “What am ‘I’, the Overlord of all this ‘My’ ?”

That is the first and the most fundamental question that every male and female human being should ask one’s self.

Those who solve this riddle through the aid of this Yagya of Imperishable Divine Wisdom and become perfectly Viceless can alone enjoy the highest status of a Double - Crowned Deity of Vaikunth (Celestial World) for numerous generations.

Beware ! Now or Never.

Our Divine Duty.

According to the Preordained Plan of the Eternal Creative Play, ever since the establishment of this Yagya of Imperishable Wisdom in 1938 A. D. (i. e. 1995 Vikrama era) before the commencement of the present War of Mahabharat, these Divine Decrees (Akash Vanis i. e., Divine Versions uttered by the Divine Father and His Divine Ones) have been sent from time to time in various languages free and registered post free to all the prominent people in the public eye such as His Majesty the King, Her Majesty the Queen, Her Royal Highness Princess Elizabeth, Ministers, Viceroy, Governors, Rajas, Ranis and all other most well-known religious as well as political leaders, considering it as our Divine Duty, performed by us Kalpa after Kalpa.
